Experience

Product Designer & UX Engineer (Self-Employed)

2012 – Present New York, NY (Remote)

I design and build responsive, accessible websites and digital products that combine clean UX with strong visual design. My background in architectural photography sharpens my focus on structure, layout, and hierarchy. I'm expanding my toolkit with modern web technologies and AI-powered workflows to create functional, scalable digital experiences.

- Design web and mobile products end-to-end, from wireframe to ship
- Build responsive, mobile-first websites and apps with React, Next.js, and Tailwind CSS
- Design and build reusable UI components directly in React and Tailwind CSS
- Creating UI with focus on accessibility, layout, typography, and visual hierarchy
- Develop interactive tools, apps, and websites with clean, scalable code
- Design directly in code, iterating live and refining based on feedback
- Optimize websites for SEO with clean structure, content strategy, and performance
- Manage e-commerce tracking, affiliate tools, and performance analytics
- Produce logos, branding, icons, motion graphics, and print-ready assets

Architectural Photographer (Self-Employed)

2016 – Present New York, NY (Hybrid)

- Document major architectural projects for real estate, design, and global brands
- Photographed iconic properties including Empire State Building, The Helmsley Building, The Refinery at Domino, and The Woolworth Building
- Work featured on Bravo's Million Dollar Listing: New York and published worldwide via IKEA
- Cover art, design, and culture events across New York City
- Built an archive of 200,000+ images from major U.S. cities and international locations
- Specialize in clean, editorial-style photography for architecture, interiors, and public spaces

Other Experience (Örebro Municipality)

2014 – 2016 Örebro, Sweden (On-Site)

Childcare Worker

- Planned activities, managed documentation, and handled digital tasks like organizing lists and creating marketing materials.

2013 – 2014 Örebro, Sweden (On-Site)

System Administrator

- Managed website, social media, and marketing materials for a project connecting job seekers with companies through a custom-built platform.

Education

Swedish Armed Forces

Completed 11 months of military service at P4 Skaraborgs Regiment, including general basic training, national field exercises, and a one-month culinary training program at a naval base in southern Sweden.

| Major | Degree | Location | Period |
|--------------------------------------|-------------------------|-------------------------------------|-------------|
| Military Service | Diploma & Service Medal | Skövde, Sweden & Karlskrona, Sweden | 2009 – 2010 |
| Field Operations & Culinary Training | | | |

Virginska School

Studied Media Communication with a focus on Photography, Graphic Design, and Video Production. Over three years, gradually specialized in Graphic Design and Video Production.

| Major | Degree | Location | Period |
|---------------------|-------------------------|----------------|-------------|
| Media Communication | Upper Secondary Diploma | Örebro, Sweden | 2006 – 2009 |
